Hon. Wm. E. Colby,

Dear Bill,

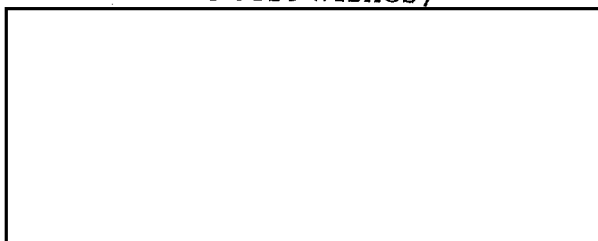

So glad to know that the Senate can be sensible--congratulations on the confirmation!

STAT

Bill, I hasten to reaffirm my interest in rejoining the Agency if there is any chance of this. The company I am with,  is being squeezed out of rendering intelligence support on DOD contracts. As a result I have suddenly been put on notice that I will no longer be needed after the first of September--a prospect which calls for fast action on my part to find another job.

I am putting out lines around town, but I thought I'd better check with you right away as a starter.

With best wishes,

25X1
